THE GRIFFIN & KIDNER CO., LIMITED, PRINTERS
14 & 16 Rebecca Street, Hamilton.

PREFACE.

THE PUBLISHER, in presenting his Fifth Edition of the STRATFORD DIRECTORY, begs to thank the people for the liberal support he has received, and also for the very flattering manner in which his Fourth Edition has been spoken of after standing the searching criticism of the past year. It is hoped that the new Directory will meet with the same favor and stand the test of time, as every means has been taken to render it accurate and up-to-date in every detail known by progressive Directory Publishers. The work will be published by me every year, and I hope merchants and business men generally who want the very best will reserve their orders till they see me.

HENRY VERNON,

PUBLISHER AND COMPILER,
